OMNIPRE

CONNECT LLC

HEALTHCARE MEDICAL SUPPLIES & PROCUREMENT

Connecting People. Creating Opportunities.

Professional medical-supply solutions for
healthcare organizations,
government agencies and care providers.

QUALITY. CARE. CONNECTED.

www.omnipreconnect.com

WELCOME TO OMNIPRE CONNECT

Omnipre Connect LLC is a clinician-led healthcare supply and procurement company focused on connecting healthcare organizations with dependable products, sourcing support and responsive service.

- Healthcare medical supplies and disposables
- Domestic and international sourcing
- Bulk and recurring procurement
- Government and institutional procurement support
- Custom sourcing for hard-to-find products

OUR STORY

HEALTHCARE EXPERIENCE AT THE CENTER

Omnipre Connect was founded from a healthcare professional's perspective, with more than **20 years** of experience in nursing and healthcare. Our approach combines clinical understanding with procurement execution.

OUR CAPABILITIES

One healthcare supply partner.
Multiple procurement solutions.

- Healthcare medical-supply procurement
- Domestic and global sourcing
- Hospital, long-term-care and home-care supply solutions
- Government procurement and contracting support
- Bulk purchasing and recurring supply programs
- Private-label / OEM sourcing where available
- Product and supplier qualification support
- Custom sourcing for hard-to-find healthcare products
- Quote comparison and procurement support
- Responsive customer service and relationship management

WHY HEALTHCARE ORGANIZATIONS CHOOSE OMNIPRE

We combine healthcare knowledge with procurement execution,

helping customers communicate clinical needs while managing sourcing, documentation, packaging and delivery requirements.

- Healthcare-focused leadership
- Quality-focused supplier network
- Flexible domestic and international sourcing
- Bulk procurement and recurring supply options
- Government and institutional contracting experience
- Personalized customer support

WHO WE SERVE

Omnipre is positioned to support organizations that need reliable medical consumables without adding unnecessary complexity to their procurement process.

- Hospitals and health systems
- Dialysis centers and renal-care providers
- Skilled nursing and long-term-care facilities
- Home-care and hospice organizations
- Clinics, urgent-care and physician practices
- Government agencies and public-sector buyers
- Distributors and institutional resellers

GLOBAL SOURCING & OEM

Need something that is not in this catalog? Let Omnipre source it. Supplier relationships span the United States and international manufacturing markets.

- Custom sourcing
- Container and bulk procurement
- OEM/private label where available
- Supplier comparison
- Documentation review
- Logistics coordination

OUR TRUSTED SUPPLIERS

- Reliable Partners
- Quality Products
- Consistent Supply

We work with a trusted network of established suppliers and manufacturers to provide dependable products, consistent quality, and reliable sourcing across our healthcare portfolio.

INSTANT COLD PACKS

Immediate Cooling Without Refrigeration

Portable Cold Therapy for Immediate Relief

Activate. Apply. Cool Instantly.

Instant cold packs deliver convenient cold therapy whenever needed, requiring no advance chilling and providing a practical single-use solution for injuries, swelling, minor trauma, and post-procedure care.

Product Code: OMNIPRE-ICP-65A

Fold-Activated Cold Packs for Quick Cooling

Instant Activation | Disposable | Cold Therapy

Fold-to-activate construction produces immediate cooling without refrigeration, providing a convenient option for first aid, minor injuries, swelling management, and everyday clinical cold therapy.

Product Code: OMNIPRE-IIC-65B

Insulated Cold Packs for Comfortable Application

Instant Cold | Insulated | Single Use

An insulated exterior combines immediate cold therapy with a more comfortable contact surface, making these packs practical for treatment rooms, first-aid stations, sports care, and clinical environments.

Product Code: OMNIPRE-HIC-65C

Heavy-Weight Cold Packs for Focused Therapy

Heavy-Weight | Insulated | Instant Activation

Heavy-weight construction provides substantial contact during cold application, while integrated insulation supports comfortable use for localized therapy following minor injuries, procedures, or physical activity.

GET A QUOTE

INSTANT HOT PACKS

On-Demand Warmth Without External Heating

Portable Heat Therapy for Immediate Application

Activate. Apply. Warm with Ease.

Instant hot packs provide convenient, self-activating warmth without external heating equipment, supporting localized heat therapy in first aid, rehabilitation, clinical care, and everyday comfort applications.

Product Code: OMNIPRE-DHP-66A

Fold-Activated Hot Packs for Convenient Therapy

Fold Activated | Instant Heat | Disposable

Fold-to-activate construction generates therapeutic warmth without preheating, providing a portable single-use option for localized heat application across clinical, rehabilitation, and first-aid environments.

Product Code: OMNIPRE-SHP-66B

Instant Hot Packs for Everyday Care

Self-Activating | Portable | Single Use

Self-activating hot packs provide convenient warmth when needed, eliminating preparation with external heating equipment and supporting practical heat therapy across a variety of patient-care settings.

Product Code: OMNIPRE-IHP-66C

Insulated Hot Packs for Comfortable Warmth

Instant Heat | Insulated | Disposable

Insulated construction provides a comfortable contact surface while delivering convenient self-generated warmth, making these packs suitable for controlled localized heat application in routine care.

GET A QUOTE

PERINEAL INSTANT COLD PACKS

Targeted Cooling for Postpartum Comfort

Perineal Cold Therapy for Recovery Care

Cooling. Absorbency. Gentle Personal Comfort.

Perineal cold packs combine localized cooling with patient-focused designs to support postpartum and perineal recovery, offering convenient therapy options for comfort, moisture management, and routine personal care.

Product Code: OMNIPRE-APC-67A

Absorbent Cold Packs for Perineal Recovery

Instant Cold | Absorbent | Single Use

An integrated design combines instant cold therapy with absorbency, providing convenient perineal care while helping manage moisture and deliver targeted cooling during postpartum recovery.

Product Code: OMNIPRE-PCW-67B

Dual-Therapy Packs for Perineal Comfort Care

Cold/Warm Therapy | Perineal | Disposable

Dual-therapy perineal packs provide flexible cold or warm application for recovery care, offering a convenient option for localized comfort according to individual care requirements.

Product Code: OMNIPRE-CPC-67C

Contoured Cold Pads for Postpartum Care

2-in-1 | Contoured | Absorbent

Contoured 2-in-1 pads combine targeted cooling and absorbent protection in a body-conforming format designed for comfortable positioning and convenient postpartum perineal care.

INFANT HEEL WARMERS

Gentle Warmth for Neonatal Procedures

Targeted Warming Solutions for Infant Care

Gentle. Convenient. Procedure Ready.

Infant warming products provide controlled, convenient warmth for neonatal care, supporting heel preparation and temperature-sensitive procedures with compact designs developed for gentle application and efficient clinical use.

Product Code: OMNIPRE-IHW-68A

Gel Heel Warmers for Infant Procedures

Gel Pack | Adhesive Tape | Infant

Compact gel warmers deliver localized warmth to an infant's heel, while lift-and-stick tape helps maintain convenient positioning during preparation for heel-stick collection procedures.

Product Code: OMNIPRE-AHW-68B

Secure Heel Warmers for Neonatal Care

Localized Warmth | Adhesive | Single Use

Single-use heel warmers provide focused warmth with an adhesive positioning design, supporting efficient preparation of the heel area before neonatal capillary blood collection.

Product Code: OMNIPRE-ITW-68C

Portable Warmers for Infant Transport Support

Infant Warming | Portable | Transport Care

Portable infant warmers provide supplemental warmth during transport and transitional care, offering a practical thermal-support option for neonatal environments where convenient warming is required.

REUSABLE HOT & COLD GEL PACKS

Flexible Therapy for Repeated Use

Reusable Gel Packs for Thermal Therapy

Heat. Cool. Reuse with Ease.

Reusable gel packs provide versatile hot or cold therapy in a flexible format, supporting localized comfort and recovery across clinical, rehabilitation, sports, and everyday care applications.

Product Code: OMNIPRE-MGP-69A

Reusable Gel Packs in Multiple Sizes

3×5 / 5×10 / 10×12 in | Reusable | Gel

Available in multiple sizes, these non-toxic gel packs can be heated or chilled for adaptable thermal therapy across different body areas and treatment requirements.

Product Code: OMNIPRE-FGP-69B

Flexible Gel Packs for Targeted Therapy

Hot/Cold | Flexible | Reusable

Flexible reusable gel packs provide targeted hot or cold application for localized therapy, offering a practical option for rehabilitation, recovery, and routine patient comfort.

Product Code: OMNIPRE-DGP-69C

Dual-Therapy Packs for Repeated Applications

Heat or Cold | Gel | Reusable

Designed for repeated use, these gel packs support both warming and cooling applications, providing convenient thermal therapy for soreness, minor injuries, recovery, and general comfort.

GET A QUOTE

BREAST THERAPY GEL PACKS

Targeted Thermal Comfort for Breast Care

Flexible Gel Therapy for Breast Comfort

Warm. Cool. Soothe with Comfort.

Breast therapy gel packs provide targeted hot or cold application in a soft, flexible format, helping support personal comfort during breastfeeding and postpartum care while adapting comfortably to the breast area for convenient thermal therapy.

Product Code: OMNIPRE-CBG-70A

Compact Gel Pads for Targeted Comfort

5-Inch | Hot/Cold | Gel-Filled

Compact 5-inch gel pads provide focused hot or cold therapy in a flexible format, helping support breast comfort during breastfeeding and postpartum care while offering convenient coverage for localized thermal application whenever needed.

Product Code: OMNIPRE-DBG-70B

Contoured Gel Pads for Breast Care

7-Inch | Donut Shape | Gel-Filled

Seven-inch donut-shaped gel pads provide broader breast coverage while leaving the central area open, offering adaptable hot or cold therapy in a flexible design suited to breastfeeding support, postpartum routines, and everyday breast comfort.

Product Code: OMNIPRE-RBG-70C

Reusable Gel Packs for Thermal Support

Reusable | Hot/Cold | Flexible Gel

Reusable breast gel packs offer a practical option for repeated warming or cooling applications, combining flexible gel construction with body-conforming comfort to support convenient thermal care throughout breastfeeding, postpartum recovery, and routine personal use.

GET A QUOTE

HEAT PATCHES

Long-Lasting Warmth for Targeted Comfort

Wearable Heat Therapy for Everyday Comfort

Activate. Apply. Enjoy Lasting Warmth.

Heat patches provide convenient, wearable warmth without external heating equipment, using air-activated technology to deliver sustained thermal therapy for targeted areas while supporting comfort during everyday activities, recovery routines, and personal care.

Product Code: OMNIPRE-AHP-82A

Air-Activated Patches for Continuous Heat Therapy

Air Activated | Wearable | Extended Heat

Air-activated heat patches begin warming after exposure to air, providing a convenient source of sustained heat for targeted application without electricity, microwaving, or other external heating equipment during everyday use.

Product Code: OMNIPRE-EHP-82B

Extended-Wear Patches for Lasting Warmth

Up to 16 Hours | Flexible | Wearable

Extended-wear heat patches provide prolonged warming support for up to 16 hours, combining a flexible wearable format with consistent thermal application for users seeking convenient comfort throughout daily routines and periods of activity.

Product Code: OMNIPRE-FHW-82C

Flexible Heat Wraps for Targeted Application

Air Activated | Flexible | Targeted Heat

Flexible heat wraps conform comfortably around targeted body areas while delivering air-activated warmth, providing a practical wearable option for localized thermal therapy without requiring cords, batteries, preheating, or refrigeration.

GET A QUOTE

REFILLABLE ICE BAGS

Reusable Cooling for Targeted Cold Therapy

Refillable Ice Solutions for Localized Cooling

Fill. Secure. Apply with Comfort.

Refillable ice bags provide a practical solution for repeated cold therapy, allowing users to add ice as needed while flexible construction supports comfortable positioning over targeted areas during clinical care, rehabilitation, recovery, and first-aid applications.

Product Code: OMNIPRE-WIB-88A

Ice Bags with Flexible Wire Closure

Refillable | Wire Closure | Cold Therapy

Refillable ice bags with flexible wire closures provide secure containment and convenient access for adding ice, offering adaptable cold application for localized treatment during injury care, rehabilitation, postoperative recovery, and routine patient comfort.

Product Code: OMNIPRE-CIB-88B

Refillable Ice Bags with Clamp Closure

Refillable | Clamp Closure | Flexible

Clamp-closure ice bags combine convenient refilling with a secure closing mechanism, providing a straightforward option for repeated cold therapy while their flexible construction helps accommodate different treatment areas across clinical and home-care environments.

Product Code: OMNIPRE-RIB-88C

Reusable Ice Bags for Everyday Therapy

Refillable | Reusable | Localized Cooling

General-purpose refillable ice bags offer a reusable approach to localized cooling, allowing fresh ice to be added between applications while supporting convenient cold therapy for minor injuries, swelling, rehabilitation, recovery, and everyday patient-care needs.

GET A QUOTE

MOIST HEAT WRAPS

Therapeutic Warmth for Focused Heat Care

Moist Heat Solutions for Targeted Therapy

Warmth. Comfort. Focused Heat Delivery.

Moist heat wraps provide concentrated thermal therapy for targeted body areas, combining retained warmth with moisture to support comfortable heat application during rehabilitation, physical therapy, recovery routines, and other professional or personal care settings.

Product Code: OMNIPRE-MHT-94A

Moist Heat Packs for Focused Therapy

Moist Heat | Reusable | Deep Warming

Reusable moist heat packs retain therapeutic warmth and moisture for focused application, providing sustained heat across targeted areas while supporting rehabilitation, physical therapy, muscle relaxation, and recovery-focused treatment routines in professional care environments.

Product Code: OMNIPRE-MHC-94B

Protective Covers for Moist Heat Packs

Reusable | Protective | Heat Therapy

Protective covers create a comfortable interface between heated therapy packs and the treatment area, helping facilitate practical moist heat application while supporting convenient handling and repeated use across rehabilitation and physical therapy environments.

Product Code: OMNIPRE-RMW-94C

Reusable Wraps for Targeted Moist Heat

Moist Heat | Flexible | Reusable

Flexible moist heat wraps provide reusable thermal coverage for targeted treatment areas, helping maintain comfortable warmth during therapy sessions while offering an adaptable solution for rehabilitation, recovery programs, and routine heat-based care applications.

GET A QUOTE

REUSABLE HOT & COLD COMPRESS WRAPS

Secure Thermal Therapy for Targeted Areas

Adjustable Wraps for Focused Thermal Therapy

Wrap. Secure. Apply with Comfort.

Reusable compress wraps combine targeted hot or cold therapy with supportive wrap designs, helping maintain consistent placement around treatment areas while providing adaptable thermal care for rehabilitation, recovery, minor injuries, and everyday comfort needs.

Product Code: OMNIPRE-RCW-95A

Refillable Ice Wraps for Targeted Cooling

Refillable | Elastic Wrap | Cold Therapy

Refillable ice wraps combine an ice-holding bag with an elastic support wrap, helping maintain targeted cold application while allowing secure, adjustable positioning around different body areas during rehabilitation, recovery, and routine injury care.

Product Code: OMNIPRE-GJW-95B

Gel Pack Wraps for Joint Therapy

Hot/Cold | Gel Pack | Adjustable Wrap

Adjustable joint wraps pair flexible gel packs with supportive fastening to provide localized hot or cold therapy, helping maintain comfortable positioning around areas such as the knee or ankle during rehabilitation and recovery routines.

Product Code: OMNIPRE-TCW-95C

Reusable Compress Wraps for Thermal Care

Reusable | Hot/Cold | Secure Fit

Reusable thermal compress wraps provide an adaptable solution for repeated warming or cooling applications, combining flexible coverage with adjustable support to help keep therapy positioned over targeted areas during recovery, rehabilitation, and everyday care.

GET A QUOTE

SPECIALTY HOT & COLD THERAPY SOLUTIONS

Targeted Comfort for Everyday Recovery

Versatile Thermal Solutions for Targeted Care

Cool. Warm. Recover with Comfort.

Specialty hot and cold therapy products provide adaptable solutions for targeted temperature management, combining wearable, reusable, and convenient designs to support rehabilitation, physical recovery, personal comfort, relaxation, and everyday therapeutic care across different body areas.

Product Code: OMNIPRE-SGP-71A

Shoulder Hot & Cold Gel Pack

Hot/Cold | Gel Pack | Shoulder Wrap

Designed to contour around the shoulder area, this reusable gel pack provides targeted hot or cold therapy with flexible coverage, supporting muscle comfort, rehabilitation, post-activity recovery, and convenient temperature-based care across the shoulder region.

Product Code: OMNIPRE-GEM-72A

Hot & Cold Gel Eye Mask

Hot/Cold | Gel-Filled | Eye Mask

This flexible gel eye mask provides gentle hot or cold application around the eye area, offering comfortable thermal coverage for relaxation, spa routines, tired eyes, and convenient personal care whenever localized warming or cooling is desired.

Product Code: OMNIPRE-GBP-73A

Reusable Hot & Cold Gel Beads Pack

Hot/Cold | Gel Beads | Reusable

Filled with flexible gel beads, this reusable pack delivers adaptable hot or cold therapy while conforming comfortably around targeted body areas, providing convenient thermal support for relaxation, recovery routines, minor injuries, and everyday personal care.

GET A QUOTE

Product Code: OMNIPRE-CHC-74A

Cartoon Hot & Cold Pack

Hot/Cold | Reusable | Cartoon Design

Featuring a playful cartoon-inspired exterior, this reusable pack provides convenient hot or cold application in an approachable format, supporting localized comfort, minor injury care, recovery routines, and everyday thermal therapy for younger or general users.

Product Code: OMNIPRE-HCS-75A

Hot & Cold Compression Sleeve

Hot/Cold | Compression | Flexible Sleeve

This flexible compression sleeve combines targeted hot or cold therapy with supportive coverage, helping maintain consistent contact around the treatment area while supporting rehabilitation, post-activity recovery, minor injury management, and everyday muscle or joint comfort.

Product Code: OMNIPRE-SGF-76A

Solid Gel Finger Support

Solid Gel | Finger Support | Reusable

Designed specifically for focused finger coverage, this reusable solid gel support provides localized thermal application in a compact format, supporting convenient warming or cooling during rehabilitation, recovery, minor injury care, and everyday hand-comfort routines.

Product Code: OMNIPRE-SGP-77A

Solid Gel Palm Support

Solid Gel | Palm Support | Reusable

This reusable solid gel palm support provides targeted thermal coverage across the hand area, combining a contoured format with convenient hot or cold application for rehabilitation, post-activity recovery, localized comfort, and routine personal care.

Product Code: OMNIPRE-SGK-78A

Solid Gel Knee Support

Solid Gel | Knee Support | Reusable

Shaped to provide focused coverage around the knee, this reusable solid gel support delivers localized warming or cooling while supporting comfortable thermal application during rehabilitation, physical recovery, minor injury care, and everyday joint-comfort routines.

GET A QUOTE

Product Code: OMNIPRE-SGA-79A

Solid Gel Ankle Support

Solid Gel | Ankle Support | Reusable

Designed around the ankle area, this reusable solid gel support provides focused thermal coverage for hot or cold application, offering a practical solution for rehabilitation, post-activity recovery, localized comfort, and routine temperature-based ankle care.

Product Code: OMNIPRE-MIH-80A

Migraine Relief Ice Head Wrap

Cold Therapy | Head Wrap | Reusable

This reusable head wrap provides broad, hands-free cooling coverage around the head, helping maintain consistent cold application while offering convenient comfort during personal relaxation, recovery routines, and other situations where targeted head cooling is desired.

Product Code: OMNIPRE-MBR-81A

Massage Ball Roller

Massage Roller | Handheld | Reusable

This compact handheld massage ball roller delivers controlled rolling pressure across targeted body areas, supporting self-massage, muscle relaxation, mobility routines, and post-activity recovery while allowing convenient pressure adjustment according to individual comfort preferences.

Product Code: OMNIPRE-RDH-83A

Reusable Disc Heat Pack

Heat Therapy | Click-Activated | Reusable

This reusable disc-activated heat pack generates portable warmth without electrical heating equipment, providing convenient localized thermal application for relaxation, recovery, travel, and everyday comfort while allowing repeated use after appropriate reactivation preparation.

Product Code: OMNIPRE-CRW-84A

Cartoon Reusable Warmer

Heat Therapy | Reusable | Cartoon Design

Combining reusable warming functionality with a playful cartoon-inspired appearance, this compact warmer provides portable localized heat for personal comfort, offering an approachable thermal-care option for relaxation, travel, cooler conditions, and everyday warming applications.

GET A QUOTE

Product Code: OMNIPRE-CNR-85A

Cooling Neck Ring

Cooling | Neck Ring | Reusable

This reusable cooling ring rests comfortably around the neck to provide hands-free localized cooling, offering a lightweight wearable solution for personal comfort during warm weather, outdoor activities, travel, exercise, and other everyday cooling needs.

Product Code: OMNIPRE-CHP-86A

Cooling Hydrogel Patch

Cooling | Hydrogel | Disposable Patch

This ready-to-use hydrogel patch provides convenient localized cooling through a flexible contact surface, offering a lightweight disposable option for personal comfort during warm conditions, travel, rest, and everyday situations where gentle cooling is preferred.

Product Code: OMNIPRE-CIS-87A

Cooling Ice Scarf

Cold Therapy | Cooling Scarf | Wearable

This wearable cooling scarf provides convenient cold coverage around the neck while allowing comfortable movement, making it suitable for warm environments, outdoor activities, exercise recovery, travel, and other situations requiring portable personal cooling support.

Product Code: OMNIPRE-CGP-89A

Cooling Gel Pillow

Cooling Gel | Pillow | Reusable

This reusable gel pillow provides a refreshing cooling surface for comfortable rest and relaxation, offering broad contact coverage for bedtime, warm environments, recovery routines, and everyday personal use whenever a cooler resting surface is preferred.

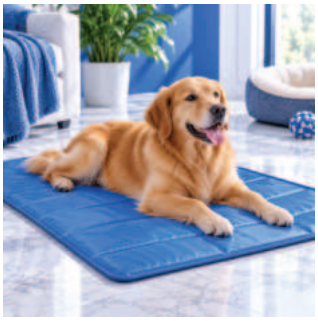

Product Code: OMNIPRE-IIB-90A

Insulated Ice Box

Insulated | Portable | Cold Storage

This portable insulated ice box supports temporary cold storage and transportation of temperature-sensitive contents, providing a practical reusable solution for cooling supplies, packed items, travel essentials, and other applications requiring convenient temperature-controlled containment.

GET A QUOTE

Product Code: OMNIPRE-PCM-91A

Pet Cooling Mat

Cooling | Pet Mat | Reusable

This reusable cooling mat provides pets with a broad, comfortable resting surface during warmer conditions, supporting everyday temperature comfort without restricting movement and offering convenient use at home, during travel, or following outdoor activity.

Product Code: OMNIPRE-TIP-92A

Reusable Transport Ice Pack

Non-Toxic Gel | Reusable | Transport Cooling

This reusable ice pack contains non-toxic cooling gel designed for cold transport applications, providing a convenient cooling source for insulated containers, temperature-sensitive contents, food handling, healthcare logistics, and other general storage or transportation requirements.

Product Code: OMNIPRE-CTP-93A

Reusable Clay Therapy Pack

Hot/Cold | Clay Pack | Reusable

This reusable clay therapy pack provides moldable hot or cold application that conforms around targeted body areas, delivering comfortable thermal coverage for relaxation, rehabilitation, post-activity recovery, minor injury care, and routine personal therapy applications.

Product Code: OMNIPRE-HWB-96A

Hot Water Therapy Bag

Rubber | Hot/Cold | Reusable

Constructed from flexible rubber with plain or ribbed surface options, this reusable therapy bag can accommodate hot or cold water for localized temperature application, supporting relaxation, personal comfort, and traditional thermal care in everyday settings.

Safetec of America	USA	Disinfection and hand-hygiene products
INTCO Medical	China	Nitrile, vinyl and synthetic gloves; PPE/disposables
Myco Medical / supplier records	U.S./global	Surgical blades, handles and scalpels
Ambu	U.S./global	Airway, anesthesia, resuscitation and selected single-use devices
NOVA / Seyitler	Turkey	Dialysis sets, hemostatic and selected wound-care consumables

Manufacturer product photography and specifications should be used only after Omnipre confirms appropriate image-use rights and current SKU documentation.

QUALITY, DOCUMENTATION & REGULATORY

Omnipre takes a documentation-first approach to medical-supply sourcing.

Product claims are reviewed at the SKU level rather than applied broadly to an entire category or supplier.

- FDA status is product/SKU specific.
- ISO 13485 applies to the manufacturer/system scope shown in current documentation.
- CE status should be confirmed for the exact applicable product.
- ASTM claims must match the exact product and standard.
- NFPA claims must match the exact product and applicable certification/listing.
- Packaging, country of origin, availability and lead time are verified at quotation.
- Regulatory and certification documentation is available upon request.

PUBLIC CATALOG STANDARD

Product availability, specifications, packaging and regulatory status may vary by manufacturer and SKU. Documentation is available upon request.
